1949

**WHOLESALE PRICES
FOR SEEDSMEN AND DEALERS**

W. ATLEE BURPEE CO. *Seed Growers*
PHILADELPHIA, PA. CLINTON, IOWA

Special Wholesale Red List Prices

FOR EXCLUSIVE USE OF SEEDSMEN AND DEALERS

Effective December 1, 1948, all invoices for purchases will be charged at the prices quoted in this Burpee Red List, unless Special Offers are made by letter or telegram and referred to when the order is placed.

We expect to adhere throughout the winter and spring to the prices quoted herein, unless some causes beyond our control require a change, in which case we shall be governed by the market. All goods are offered subject to prior sale, f.o.b. cars (except where noted) Philadelphia, Pa., or Clinton, Iowa, and we reserve the right to change prices without notice if it should become necessary.

Credit and Terms of Payment

Our terms are cash with order unless you have an account with us or are satisfactorily rated by the commercial agencies. To those who have accounts and others of approved credit, our terms are *60 days net*; 2% discount for cash in ten days from date of invoice, or 3% discount when cash accompanies the order, for Vegetable and Flower Seeds and Flower Bulbs. *No discount* on Grass Seeds, Field Seeds, Roots, and Supplies, or on bags, cases, and shipping charges, all of which are *net cash*.

New customers, unless satisfactorily rated with the commercial agencies, should furnish us with at least three trade references. Orders from new customers amounting to less than \$5.00 should be accompanied by cash.

Orders for seeds (but not roots) will be shipped C.O.D. upon receipt of a deposit of 25% of the value of the order.

All Prices Quoted in this Red List are f.o.b. cars Philadelphia, Pa., or Clinton, Iowa, except where noted

The purchaser pays the transportation charge on everything offered in this book except packets on sale or return basis, Super Packets, Burpee's Color-In Garden folders and Burpee's Flower Garden Gift boxes, which are sent prepaid. If goods are wanted by Parcel Post, include sufficient to cover postage on cash orders. On charge orders, postage will be invoiced. We make no charges for packing or cartage, but bags and cases will be charged at current cost and are not returnable. If in doubt as to the best and most economical method of shipment, we suggest that you leave this to our judgment.

Shipping Instructions

With each order, please give complete shipping instructions if goods are not to be sent by Parcel Post. Give the name of your express or freight office and on which railroad you wish goods shipped. This will assure correct routing. After delivering the shipment to forwarders in good order (as shown by Bill of Lading), our responsibility ceases. Marine and/or War Risk insurance will be effected on foreign shipments only when so directed.

You can depend upon us to get your seeds on their way to you as quickly as possible; however, some methods of transportation are uncertain, so it is advisable to order earlier than usual.

W. Atlee Burpee Co. shall not be liable for loss due to strikes, fires, delays of carriers, acts of God, or any other causes beyond our control.

In accord with the disclaimer adopted by the American Seed Trade Association, the W. Atlee Burpee Co. gives no warranty, express or implied, as to the productiveness of any seeds or bulbs it sells and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seeds or bulbs.

Extra Service and Sales Helps

Illustrated catalogs.

Counter cards and posters illustrated in color.

Handsome seed racks made of pressboard free of charge.

And remember that seedsmen and dealers who sell seeds under the name Burpee get the benefit of all the national and local advertising we have done for more than half a century and which we are doing this year on a large scale. This extensive advertising in many of the country's leading magazines costs us a lot of money and will stimulate your sales of Burpee's Seeds.

It fully describes the best standard and new varieties of Vegetables, Flowers, and Bulbs. 25 of Burpee's retail catalogs will be supplied you *free, on request*, with \$100.00 worth of seeds purchased, and in the same proportion for larger or smaller amounts. Burpee's Early Flowering SWEET PEAS

Varieties are arranged in each color class from deep to light shades

Burpee's Early Flowering Sweet Peas come into bloom outdoors before the summer heat arrives—3 to 4 weeks earlier than Burpee's Giant varieties offered on pages 54 to 57. They are valuable for winter flowering under glass, also especially adapted for growing in frost-free sections and for earliest blooms outdoors in the North. Sweet Peas do best in cool weather. If seed was not sown in the fall, sow as early in the spring as the ground can be prepared. They prefer an open, sunny location, and deep, rich soil which must be well drained.

Spring Flowering or Cuthbertson Sweet Peas

Come into bloom, outdoors, about 10 days before the Giants and remain in bloom the same length of time. Plants are quite vigorous and produce a heavy crop of large, long-stemmed blooms. Vines are quite heat resistant, therefore adapted to localities where sweet peas have heretofore been unsuccessful. Under glass they are unusually free flowering and prolong the spring cutting season.
